## WHAT IS CATARRH?

Hyomel Cures This Common and Disagreeable Disease.

Hyomel cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of catarrhal poison, heats and soothes the irritated mucous membrane, enters the blood with the oxygen and kills the germs present there, effectually driving this disease from the system.

The complete Hyomel outfit costs but \$1.00 and comprises an inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomel can be obtained for 50c.

If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs:

Offensive breath, Dryness of the nose, Pain across the eyes, Pain in back of head, Pain in front of head, Tendency to take cold, Burning pain in throat, Hawking to clear the throat, Pain in the chest, A cough, Stitch in side, Loss of flesh, Variable appetite, Low spirited at times, Haunting of frothy mucus, Expectoration yellow matter, Difficulty in breathing, Frequent sneezing, Hoarseness of voice, Discharge from nose, Stopping of the nose at night, Aching of the body, Droppings in throat, Mouth open while sleeping, Tickling back of palate, Formation of crusts in the nose, Dryness of the throat in the morning, Loss of strength, Spasms of coughing, Cough short and hacking, Cough worse nights and mornings, Loss a vital force, A feeling of tightness across the upper part of the chest.

Hyomel will destroy activity of all catarrhal germs in the respiratory organs and in a few weeks the cure will be complete.

This is a strong statement, but Rickett & Wells emphasize it by agreeing to refund your money if Hyomel does not cure.
